

FURTHER INFORMATION

It is essential that students arrive five minutes before the class, as teachers need to start classes on time. Students arriving late may miss out on the warm up, which is essential for all students to participate in to avoid injury.

Classes are held weekly during the school term. Attendance each week is essential for a high quality of achievement both on a personal and professional level.

Any child that may have hurt themselves before class must tell the class teacher.

All classes require a minimum number of 10 enrolments per class. Classes with less than 10 enrolled will be amalgamated with other classes or will result in the class being cancelled. If this is applicable, you will be notified.

Information collected on the enrolment form is used for administration purposes only and to contact parents in the event of an emergency or for information about the program. It will not be disclosed to any other party, except as required by law.

Should personal details change during 2020, please ensure updated information is provided and recorded on the enrolment form.

The completion of an enrolment form and payment of fees must be before each term to the nearest Hume City Council leisure centre to where your child will be participating in dance classes.

Each year one event will be organised at the end of the year to showcase what students have learnt during the year. One costume will be supplied with funds that have been paid during the year and if we require anything further we will ask you to supply this yourselves. Clothing such as jeans, baggy tops, school uniforms or skirts are NOT acceptable attire to wear to class.
