

Proud2Play™

Proud 2 Play is Victoria's leading LGBTI+ inclusion in sport and recreation organisation. We work at all levels of the sports, recreation and physical activity community to pursue our mission for a world where all LGBTI+ people feel confident to lead healthy and active lifestyles in safe and inclusive environments.

We work across a number of key areas including education, implementing inclusive policy, running inclusive events and programs, and research.

Proud 2 Play is the only LGBTI+ body to have State Sporting and Recreation Body recognition.
